Aquila enters trading halt

[QUICK SUMMARY](#) | [FULL STORY](#)

AAP

Shares in Aquila Resources Ltd have entered a trading halt pending the release of a statement relating to a memorandum of understanding.

Aquila requested the trading halt before the market opened on Monday.

"The reason for the request is that Aquila anticipates making an announcement in relation to an MOU (memorandum of understanding)," Aquila said in a letter to the Australian stock exchange.

Aquila shares closed on Friday at \$9.07.
