RPT-Australia's Aquila in dispute with Vale on coal jv

Tue Jun 15, 2010 12:02am GMT

SYDNEY June 15 (Reuters) - Australia's Aquila Resources (AQA.AX) said on Tuesday it was in dispute with a subsidiary of Brazilian mining giant Vale (VALE5.SA) over the capital budget for a joint coking coal project.

Aquila said it remained committed to the development of the Eagle Downs coking coal project subject to a positive feasibility study.
